

# Clinical Brief #16 | COVID-19

Developed Tuesday, April 14, 2020

## INFORMATION FOR ALL CLINICIANS

Clinical leaders are providing frequent updates to all clinicians in an effort to keep you current about AdventHealth's response to COVID-19. The following topics are included in this brief:

- Universal Masking for Visitors and Patients
- KN95 Mask Usage Guidance
- Donning and Doffing Personal Protective Equipment (PPE) Video
- COVID-19 Antibody Panel Cerner Order

## 5:00 pm April 14 COVID-19 Situation Report

\*Based on COVID-19 Power BI Dashboard data

COVID-19	CFD	WFD	MSD
Total Confirmed	1,141	104	176
Currently Inpatient	114	23	21
Total Negative Tests	12,575	1,490	1,503
Current PUI	65	59	29

## Universal Masking for Visitors and Patients

The [Centers for Disease Control and Prevention \(CDC\)](#) updated their interim infection prevention control recommendations Monday, April 13, and expanded universal source control for all health care personnel, patients and visitors, regardless of symptoms.

- Patients and visitors should be wearing their own or receiving a Tier 2 or 3 mask upon entry to the facility
- Continue to actively screen everyone entering the facility for fever and symptoms

## KN95 Mask Usage Guidance

AdventHealth is continuously working to obtain PPE and recently received a shipment of KN95 masks.

Due to the inability to consistently pass fit-testing, [the "3D" KN95 respirators](#) should not be used as an N95 respirator at this time. They may be used as an ear loop mask if other ear loop masks are not available.

## Donning and Doffing PPE Video

Proper donning and doffing of PPE are essential to preventing caregiver exposure and the spread of infection.

- Please go to AdventHealth Learning Network (ALN) to view the new PPE video, "[PPE: Donning, Doffing and Extended Use](#)," which demonstrates the wearing and extended use of masks, N95 respirators and isolation gowns.
- A hand hygiene video may be also be accessed [here](#) and [here for community providers](#).

## COVID-19 Antibody Panel Cerner Order

A new order, "Coronavirus 2019 IgG IgM Antibody Panel Send Out," is available in [iExtend](#) and [iConnect](#) for **Florida only**.

Facilities outside of Florida will go live later this month.
