

Join PINK OUT[®]

PINK OUT has become a sign of support for breast cancer survivors at AdventHealth and throughout our community. This October, we invite you to join our community members, local businesses and retail shops to celebrate breast cancer survivors and remember those who we have lost to this disease.

For every donation you make, a pink badge will be displayed to honor a loved one who has bravely fought or is currently fighting breast cancer. All donations provide hope and healing to patients battling breast cancer at AdventHealth.

Three Steps to Show your Support

1. Engage Community Members

For every donation, your customers will receive a PINK OUT Badge to personalize and display in your place of business. Be sure to set and display your PINK OUT goal to encourage additional donations.

2. Display Your Support

As donations are made, display your badge in a creative way and engage your audience on social media with the hashtag: #JoinPINKOUT. AdventHealth Foundation will engage with your business on social media and feature the best-displayed PINK OUT Badge in the community.

3. Submit Your Support

On November 1, send in your collected donations for the AdventHealth Breast Care Fund with a check payable to AdventHealth Foundation. Include "PINK OUT Badges" in the memo line and address the envelope as noted below. For cash pick-up, please reach out to Aspyn Allen at aspyn.allen@adventhealth.com or 407-303-9637. If you prefer to use an online form of payment, visit PINKOUT.com/GetInvolved.

Attn: Aspyn Allen
AdventHealth Foundation
800 N. Magnolia Avenue, Suite 600
Orlando, FL 32803

For questions, re-stocking or donation pick-ups, contact Aspyn Allen at aspyn.allen@adventhealth.com or 407-303-9637.

Demonstrate your support for the fight against breast cancer through the PINK OUT fundraiser, and join our largest celebration ever!
