

# Ethics Consults

## Do you need help navigating a morally challenging clinical situation?

An Ethics Consult can help.

Ethics consults can help:

- Clarify who should make treatment decisions when a patient can't
- Help determine patients' values and wishes as they relate to medical care
- Address differences of opinion regarding goals of care
- Explore the range of ethically appropriate treatment options and much more

Who can request an ethics consult?

- Anyone directly involved in the care of the patient
