# 40 GOLDEN GALA

**Welcome to a 40-year celebration of reimagining health care today.**

We are honored to have you join us as we create a wholistic, mental health program at AdventHealth for Children. This new program will establish a much-needed clinical infrastructure to prevent crises, implement early screenings, improve access to patient care, and expand educational and board-certified mental health care services out into the community. Your contributions can also support exceptional, whole-person care through essential programs and services at AdventHealth.

Together we can create a healthier and more vibrant community by inspiring individuals to realize their full health potential – in body, mind and spirit.

Enjoy tonight's family-friendly evening as we safely join together to celebrate AdventHealth's mission of extending the healing ministry of Christ.

*Your safety is of utmost importance. Safety measures, including masks worn throughout the entire event and social distancing, are required.*

## MESSAGE FROM THE PRESIDENT AND CEO OF ADVENTHEALTH

Dear Friends,

When we hosted our inaugural Golden Gala 40 years ago, Central Florida – and AdventHealth – looked drastically different.

While much has changed, one thing that has remained is AdventHealth's commitment to excellence and community service.

Through the years, the Golden Gala and supporters like you have been instrumental in bringing lifesaving and life-changing services to Central Florida.

From pediatric cancer to advanced cardiology to groundbreaking research, so many of the programs and services we have today were made possible by the generosity of others over the last 40 years.

The pandemic has shown us the importance of having an elite health system that's close to home and able to meet the community's needs.

As we look ahead, we know Central Florida's health care needs are significant – not just the physical, but also our mental well-being.

The need for mental-health resources for our children and families has never been more evident. Tonight, we're asking for your support as we build a wholistic mental-health program at AdventHealth for Children.

I'm so pleased to join you for a night of great entertainment to benefit this great cause. Thank you for supporting AdventHealth as we continue our more than 110-year legacy of extending the healing ministry of Christ. Enjoy the show!

Blessings,

**Randy Haffner, Ph.D.**

President and CEO

AdventHealth — Central Florida Division

## FEATURED PROJECT

# AdventHealth for Children

## MENTAL HEALTH PROGRAM

Proceeds from this Golden Gala weekend will be dedicated to the support of the new pediatric mental health program at AdventHealth for Children, as well as other essential programs at AdventHealth.

Now more than ever, seeking care for mental wellness is of the utmost importance, given the increase in stress and isolation brought on by COVID-19. Patients and families need the support your contributions provide to navigate the mental health system and find the right level of care quickly.

Your generosity ensures they have access to a wholistic team of providers, including licensed mental health therapists, psychologists, and psychiatrists who will work together to stabilize the children and young adults who count on us through inpatient and outpatient programs.

We ask that you join us in changing the perception of mental health in our communities, while filling the gap in care for children living with behavioral and mental health disorders.

## MESSAGE FROM THE PRESIDENT OF ADVENTHEALTH FOUNDATION OF CENTRAL FLORIDA

Good Evening,

I'm grateful we have gathered together tonight to celebrate this historic event and honor our front-line caregivers who have sacrificed so much these past 18 months during the COVID-19 pandemic. To share this evening with over 1,000 medical professionals who demonstrated such compassionate care and stepped up when we needed it most is a blessing. Thank you caregivers, for your commitment day in and day out to exemplify our mission of extending the healing ministry of Christ.

Throughout the pandemic, we as a community have been challenged to reimagine many things - how we live, work, play, and spend time with one another. We have also been challenged to reimagine both health care today and the future clinical advancements we can create through philanthropy.

As we enjoy our Golden Gala Reimagined, I hope you feel the impact this event has made on the lives of patients and families. Exceptional care and remarkable stories of perseverance have remained at the core of this legacy event and tonight is no exception. Through your support we can create a wholistic mental health program at AdventHealth for Children, as well as provide needed funding to benefit additional programs and services for patients in Central Florida and beyond.

It's a pleasure to join you this evening to celebrate 40 years of generosity at Golden Gala. Thank you for finding meaning and purpose in our mission.

May God bless you, your family and friends this holiday season with love, hope and happiness.

Sincerely,

**David Collis**

President | AdventHealth Foundation Central Florida

## ENTERTAINMENT

# CARRIE UNDERWOOD

Carrie Underwood is a true, multi-format, multi-media superstar, spanning achievements in music, television, film, and as a New York Times bestselling author and successful entrepreneur. She has sold more than 64 million records worldwide, recorded 27 #1 singles (14 of which she co-wrote), and made seven albums that are certified Platinum or multi-Platinum by the RIAA, all while continuing to sell out arena tours across North America and the UK. All nine of her consecutive album releases (two of which she co-produced) from the beginning of her career debuted #1 on the Billboard Country Chart, making her the only artist to accomplish that feat.

She has won over 100 major awards including 7 GRAMMY® Awards, 15 ACM Awards including three for Entertainer of the Year (the first female in history to win twice and the only female ever to win three times), 23 CMT Music Awards (holding the record for the most award wins ever for the show), 7 CMA Awards and 15 American Music Awards.
