[AdventHealth Day of Giving Stream Tiltify Link](#)

Post Option 1:

When a child is hospitalized, their family's world stops, but mouths still need to be fed and bills still need to be paid. On December 15, join me and @AdventHealthForChildren to help meet urgent needs for these families. Stop by my stream at (stream link) or make a gift on my Tiltify page: (Tiltify Link)

Post Option 2:

Join me and @AdventHealthFoundationCentralFlorida in helping local families cover everyday expenses like utilities, rent and transportation while their child is in the hospital. Make a donation to my Tiltify page here: (Tiltify Link)

Post Option 3:

On December 15, donations to my stream will in help local families cover expenses like utilities, rent and transportation while their child is in the hospital. Come watch at (stream link) and show your support!

Post Option 4:

Give the gift of hope this holiday season to local families whose children are in the hospital. No one wants to choose between paying their bills and staying by their child's bedside. Make a difference by watching my stream and donating to my Tiltify page here: (Tiltify Link)

Post Option 5:

While D.J. battled cancer at @AdventHealthForChildren, his mom struggled to make ends meet. Many parents like D.J.'s are facing hardship and you can make a difference by watching my stream at (stream link) on December 15th and donating to my Tiltify page here: (Tiltify Link)

Post Option 6:

@AdventHealth for Children's Day of Giving is this December 15th! Stop by the stream to help kids with serious illnesses at AdventHealth today and make a donation to my Tiltify page here: (Tiltify Link)

Publish on 11/15:

In 1 month, I'll be streaming help local families whose kids are battling life-threatening illnesses at @AdventHealthForChildren. Your donation will provide real support, right when it's needed. Join me in making a difference and #Give4Kids today: (Tiltify Link)

Publish on 12/1:

With just 2 weeks away from AdventHealth for Children's Day Of Giving, you can help make a difference for local families and their everyday expenses like utilities, rent and transportation while their child is in the hospital. Donate to my Tiltify page to help: (Tiltify Link)

Publish on 12/14:

Video Post Option 1:

Life is busy, but life can become much more hectic for a family whose child is diagnosed with cancer or another serious illness. You can bring a sense of peace to families with kids battling cancer by donating \$1, \$10, or even \$35 a month. Make a difference this holiday season and #Give4Kids today by visiting (stream link) on December 15th.

Video Post Option 2:

Take a look at your daily to-do's. Now imagine doing all of that plus fighting alongside your child who is sick in the hospital. #Give4Kids today to ease the lives of these families battling pediatric cancer. Your donation can help cover daily expenses like gas, groceries and household bills for local families who need help today. (Tiltify Link)
