## A New Kind of Caring.

As an organization, we are driven by an imperative of service unique to our Seventh-day Adventist culture. We believe that delivering an extraordinary patient experience means providing uncommon compassion and highly individualized care. It also means not just caring *for* our patients but caring *about* them.

**It's our promise to help you feel whole.**

# Stay Well Ahead

with Comprehensive Care, Close to Home

## Emergency Care

Our conveniently located ERs in Flagler and Volusia counties feature some of the area's top emergency specialists, including experts in cardiac and stroke emergencies. It's the care you need, when and where you want it.

## Cancer Care

A cancer diagnosis can feel overwhelming. We're with you every step of the way from diagnosis to recovery, establishing an individual treatment plan and trusted navigation to make things as easy as possible. Some of the services we offer include:

- Advanced diagnostic imaging
- Cancer care navigation
- Genetic counseling and screening
- State-of-the-art radiation and medical oncology options

## Heart Care

Caring for your whole person is at the heart of our cardiovascular services.

We provide the latest life-saving diagnostic and treatment procedures, including wellness and rehabilitation programs, ongoing health education and a wide range of cardiovascular support services. This ensures you that comprehensive heart care is available right here, close to where you work, live and play.

## Primary Care

Because your family has a busy schedule, we strive to provide the right care for your entire family under one network. With comprehensive care and the convenience of same-day appointments, and weekend hours, keeping your family in good health is our priority.

## Home Care

When you are ill or recovering, it can be comforting to heal in the privacy of your own home. Our in-home care team treats you like family, giving you the care you need, at the level you need. Services Include:

- Advance wound care
- Diabetes management
- Physical and occupational therapy
- Post-hospitalization and post-surgical care
- Speech language pathology

## Hospice Care

If you're facing a life-limiting illness, it's more important than ever to be surrounded by the ones you love in a comforting, caring environment. Our Hospice Care team treats you with the dignity and respect you deserve at this critical point of life. Several types of care are available, including:

- Advanced directives
- Caregiver support services
- Grief support
- Inpatient, palliative and respite care

## Neuroscience Care

Leading-edge neuro care is just minutes from home, offering patients a broad range of expert and compassionate care. This includes:

- Advanced treatment for brain tumors, as well as sleep and spinal disorders
- Comprehensive rehabilitation services
- Primary stroke centers

## Orthopedic Care

Our goal is to get you back to the things you love as soon as possible after a stroke. Partnering with our Imaging, Surgical and Rehabilitation teams, each Orthopedic Center provides seamless, individualized care. From sports injuries to joint replacements, this collaboration delivers the best orthopedic experience possible:

- Mako robot-arm assisted joint replacement technology for hip and knee surgery
- Neck and back treatments using TrackX® technology for real-time, precise instrument tracking with less x-ray radiation exposure needed
- Surgical and nonsurgical treatment options for elbow, shoulder, wrist and foot and ankle
- Orthopedic navigators
- Pre-surgery classes

## Sports Med & Rehab

We're committed to restoring your quality of life with improved function and less pain. Through personalized, caring assistance, our certified professionals can help you begin your recovery. We offer physical, occupational, and speech therapy. Our staff will help you recover from injuries, medical conditions to help you get back to what you cherish the most:

- Physical therapy
- Occupational therapy
- Speech therapy
- Specialty programs addressing the unique needs of various conditions

## Women and Children's Care

From a baby's first breath to a toddler's first steps, adolescence to adulthood and all of life's changes along the way -- AdventHealth wants to tag along to all your important moments. That means providing continuous, consistent care for women, newborns, children and adolescents.

- **Obstetric Care:** Our OB/GYN's, experienced nurses, birth experience team and lactation consultants work together throughout your birth experience. And, at AdventHealth Daytona Beach, our neonatologists are available 24/7 in the Level II NICU for babies who need extra care.
- **Women's Care:** We offer a broad array of women's services, from gynecology and pelvic health, to our ongoing dedication to women's health and wellness.
- **Pediatrics:** We take the scary out of health care for kids with first-rate care in a welcoming, caring and comfortable environment. AdventHealth is dedicated to your children's ongoing health and wellness from toddler to teen years. Backed by nationally recognized AdventHealth for Children, our care network includes pediatricians, pediatric specialists and pediatric emergency care.

## Imaging

AdventHealth's expert radiology team provides the highest quality of medical imaging in a convenient and safe environment. We offer comprehensive diagnostic services to produce a clear picture of your health while maintaining the highest national standards in imaging safety according to the American College of Radiology (ACR).
