Be Part of Pink!

Join AdventHealth's Pink on Parade 5K in person or virtually as we celebrate the brave individuals in our community battling breast cancer and spread awareness in Central Florida and beyond.

The community has rallied around Pink initiatives for over a decade, raising over \$1.4 million. These dollars have provided hope and healing to thousands through financial assistance, innovative research, early detection strategies and survivorship programs.

We are excited to connect with even more people throughout the United States. You can raise funds to support those affected by breast cancer, no matter where you are. Whether you are from a small town in North Carolina or a large city in Florida, we will be incredible together this year.
